**John NELSON** ▶ ICS Employee Community Bulletin  
Board:

TO: ICS Employees

Welcome back to a new year at ICS! I look forward to seeing you at 8:00 AM for breakfast in the cafeteria, followed by the all-employee convocation at 8:30 AM next door in Abundant Grace Memorial Gymnasium for a time of worship singing, prayer, some introductory remarks from me, and the celebration of communion together to open the school year.

The ICS leadership team devoted several hours in the spring term of 2012-13 to reviewing the Declaration of Moral Integrity that all ICS employees have been required to personally affirm.

The replacement document is entitled "Standards of Biblical Ethics & Integrity" and is attached here for your perusal. As it replaces the "Declaration of Moral Integrity" form, please take time to review this at your earliest convenience.

Principals and Directors, who have been involved in the review and the replacement, can answer your queries and will be completing the process of collecting the signed affirmations this week and next, at latest by August 7.

Sincerely,  
John Nelson
